[Harmon Caldwell's Georgia Divorce Handbook](#) Harmon Caldwell 2014-01-08

Drawing on his decades of experience in family law, Harmon Caldwell takes an otherwise complicated subject and condenses the entire divorce process down to easy-to-follow steps in his Georgia Divorce Handbook. This reader-friendly guide provides a general overview of the primary issues to be familiar with regarding

divorce in Georgia, ranging from the decision to seek a divorce and finding a lawyer to the typical steps of the legal process and the common problems that may arise. Other topics explained in this handbook include: how to find a lawyer and questions to ask at an initial meeting; the grounds for divorce in Georgia; some common issues in divorces, such as separate property, equitable division, and alimony; child custody, visitation, and child support; the pros and cons of using private detectives; the role of recording devices and social media; and what to expect in a trial. Whether you are thinking about divorce, involved in a divorce already, or simply want to know how the divorce process works, this book will be an invaluable tool.

**Divorce Practice in Georgia** 1989

*Hanging On By My Fingernails* Janie McQueen 2011 *Hanging On By My Fingernails: Surviving the New Divorce Gamesmanship*, and How a

Scratch Can Land You in Jail In this daring, groundbreaking book, journalist Janie McQueen unveils the truth behind the "new divorce gamesmanship"--vicious tactics that thrust victims into complex webs of legal tangles that destroy spirits and hobble divorce cases. These surprisingly common--and legally deadly--ploys can and often lead to criminal charges and trials, lingering records, heartbreaking child custody battles, embarrassing distortion campaigns, and even unemployment as employers increasingly trawl the Internet for background checks. Women who are anywhere in the divorce process will find here powerful information with which to defend themselves--keeping heart and soul intact. With bonus guide: How To Spot a Set-Up and What To Do.

Georgia Domestic Relations Case Finder Bruce W. Callner 1990 Gives you quick access to relevant case law

in one portable volume. Summaries of significant Georgia domestic relations cases topically arranged in a format similar to a trial notebook. Presents cases on point & sets out statutes where pertinent. Cases representing conflicting points of view are found together so that you can anticipate your opponent's position. Designed for quick reference at every stage of domestic relations practice.

**The Four Ways of Divorce** Rachel L Virk 2019-11-13 You may need to journey down the warpath to stand up for what you must. Or if you and your X2B don't hate each other just because you are getting a divorce, you may work together to custom design your new, separate lives, or your new two-home family. This book tells you in detail exactly what you need know to make informed decisions, describes how you can write up your decisions in a legally binding document, or what will happen if you

go to court. The back of the book contains a chart for the easy comparison of the litigation, negotiation, collaboration and mediation processes, along with many helpful financial worksheets. This Second Edition contains a new section addressing how best to discuss the separation and divorce with your children. You will also find an explanation of the Informative Mediation Process, and an extremely useful General List of Topics to be Resolved. Whether sitting down to Work it Out, or standing up to Fight it Out, for information to help shape and control your new future, and to control the costs, don't wait one minute more to order *The Four Ways of Divorce*.

*A Digest of Statutes, Decisions and Cases Throughout the United States Upon the Subjects of Divorce and Alimony* William Hardcastle Browne

1872

*LexisNexis Practice Guide: Georgia Family Law* Boyd Collar Nolen Tuggle & Roddenbery, LLC 2019-06-28 Authored by experts in various facets of civil litigation and reviewed by general editor William C. Bochet, LexisNexis Practice Guide New Jersey Trial, Post-Trial, and Appellate Proceedings offers quick, direct, New Jersey-specific answers to questions that arise in day-to-day civil litigation practice. Topically organized, LexisNexis Practice Guide New Jersey Trial, Post-Trial, and Appellate Proceedings covers a range of civil practice issues and takes task-oriented approach to each subject in its action-oriented section headings (e.g. Moving for Relief in Limine, Preparing for Direct Examinations of Experts at Trial, and Making Objections or Requests for Curative Instructions) and multiple checklists in each chapter that guide the reader through each step of a task. This

publication covers critical topics such as jury charges, bench trial, opening statements, burdens of proof, trial motions, party and non-party witnesses, expert witnesses, summations, and bringing appeals. It includes numerous practice tips (Strategic Point, Warning, Timing and Exception) to ensure best practices and help the attorney make choices, avoid practice pitfalls and recognize important time limitations and exceptions to general rules. The online product includes practice forms.

*Defending Eve* Adam Scott Jaffe 2013-03-01 For most people, it is a struggle to learn how to give themselves completely to love. Surprisingly, it is his career as a divorce lawyer where author Adam Scott Jaffe learned there is no half-way effort if relationships are to thrive. He has truly seen behind the curtain. Through his work, he was able to discover a simple yet

paramount secret that provides couples the greatest opportunity to follow through on their commitments to each other. Jaffe's revelations in this passionate and sincere novel intend to give a couple the best opportunity to experience the most rewarding and sustainable relationship possible. He focuses on the conscious decision partners in a relationship have to make to succeed. Through intimate and detailed storytelling, Jaffe's main character admits how he was sabotaging his own dreams for happiness. He uses the lessons that he crystallized from his years as a divorce attorney to spur a complete metamorphosis of his character. The ultimate lesson is uncovered: it is never too late to change for love. *Defending Eve* is inspired by true events. It is not a self-help book or biography. Rather it is a genuine and heartfelt story that leaves the reader with many valuable lessons intended to better

all relationships. It is also unique because such a tender story has its source in a world affected by the acrimony of break up. Ironically, it is only through such a stormy environment that the light shines through. There is truly bounty in such a revelation, and it must be shared.

With compassion and expertise, family law attorney Emily Doskow explains how to make divorce less painful by helping you: minimize day-to-day conflict with your spouse work with lawyers or mediators without breaking the bank avoid costly, exhausting court battles, and stay calm and make good decisions. You'll learn about your legal rights and options for resolving tough divorce-related issues, including: child support and custody alimony property division, and drafting a marital settlement agreement. The 8th edition is completely updated with the latest state rules on divorce, such as property division and grounds for divorce.

*Silent Revolution* Herbert Jacob 1988-07-27 Conflict and controversy usually accompany major social

changes in America. Such issues as civil rights, abortion, and the proposed Equal Rights Amendment provoke strong and divisive reactions, attract extensive media coverage, and generate heated legislative debate. Some theorists even claim that only mobilization and publicity can stimulate significant legislative change. How is it possible, then, that a wholesale revamping of American divorce law occurred with scarcely a whisper of controversy and without any national debate? This is the central question posed—and authoritatively answered—in Herbert Jacob's *Silent Revolution*. Since 1966, divorce laws in the United States have undergone a radical transformation. No-fault divorce is now universally available. Alimony functions simply as a brief transitional payment to help a dependent spouse become independent. Most states divide assets at divorce according to a community property

scheme, and, whenever possible, many courts prefer to award custody of children to the mother and the father jointly. These changes in policy represent a profound departure from traditional American values, and yet the legislation by which they were enacted was treated as a technical correction of minor problems. No-fault divorce, for example, was a response to the increasing number of fraudulent divorce petitions. Since couples were often forced to manufacture the evidence of guilt that many states required, and since judges frequently looked the other way, legal reformers sought no more than to bring divorce statutes into line with current practice. On the basis of such observations, Jacob formulates a new theory of routine—as opposed to conflictual—policy-making processes. Many potentially controversial policies—divorce law reforms among them—pass unnoticed in America because legislators treat

them as matters of routine. Jacob's is indeed the most plausible account of the enormous number and steady flow of policy decisions made by state legislatures. It also explains why no attention was paid to the effect divorce reform would have on divorced women and their children, a subject that has become increasingly controversial and that, consequently, is not likely to be handled by the routine policy-making process in the future.

**When Parents Separate** Children's Legal Centre 1982

**It Doesn't Have to Be That Way** Laura A. Wasser 2013-10-01 Maria Shriver, Kim Kardashian, Stevie Wonder, Britney Spears . . . Who do they have in common? Top LA divorce lawyer Laura Wasser. If anyone ever had a platform to write a how to divorce book for today's generation, it's Laura Wasser. She has been practicing

in her field for nearly twenty years, represented many of the country's top celebrities and has been celebrated for her unique style, her empathy and her expertise. Wasser's personal and professional life have been profiled by publications like the Los Angeles Times, Vogue and Interview. Most important, her approach and advice is different from almost any other and she articulates it in a simple manner. Laura Wasser addresses an entire generation who want—and need—to handle their breakups differently. It's no secret that the divorce rate in America is more than half the marriage rate. Yet the means for dissolving a relationship often seem hopelessly mired in an outdated perception of how it's supposed to be done. Wasser acknowledges that this generation's realities have evolved greatly since the previous generation's in almost every way, and that they want to get divorced cheaply and efficiently and maintain

control of the process themselves. The daughter and partner of a prominent Los Angeles Family Law attorney, she has a deep history in the field, and she knows the available roads to uncontested resolution like nobody else. At times psychologist, at times strategist, and distinctly of this generation, Laura and her book will offer readers safer passage through what can be a devastating time, emotionally and financially.

**Settlement of a Divorce Case** State Bar of Georgia. Family Law Section 1993
