Nothing to Envy Barbara Demick 2009-12-29 An eye-opening account of life inside North Korea—a closed world of increasing global importance—hailed as a “tour de force of meticulous reporting” (The New York Review of Books) NATIONAL BOOK AWARD FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST In this landmark addition to the literature of totalitarianism, award-winning journalist Barbara Demick follows the lives of six North Korean citizens over fifteen years—a chaotic period that saw the death of Kim Il-sung, the rise to power of his son Kim Jong-il (the father of Kim Jong-un), and a devastating famine that killed one-fifth of the population. Demick brings to life what it means to be living under the most repressive regime today—an Orwellian world that is by choice not connected to the Internet, where displays of affection are punished, informants are rewarded, and an offhand remark can send a person to the gulag for life. She takes us deep inside the country, beyond the reach of government censors, and through meticulous and sensitive reporting we see her subjects fall in love, raise families, nurture ambitions, and struggle for survival. One by one, we witness their profound, life-altering disillusionment with the government and their realization that, rather than providing them with lives of abundance, their country has betrayed them. Praise for *Nothing to Envy* “Provocative . . . offers extensive evidence of the author’s deep knowledge of this country while keeping its sights firmly on individual stories and human details.”—The New York Times “Deeply moving . . . The personal stories are related with novelistic detail.”—The Wall Street Journal “A tour de force of meticulous reporting.”—The New York Review of Books “Excellent . . . humanizes a downtrodden, long-suffering people whose individual lives, hopes and dreams are so little known abroad.”—San Francisco Chronicle “The narrow boundaries of our knowledge have expanded radically with the publication of *Nothing to Envy*. . . Elegantly structured

and written, [it] is a groundbreaking work of literary nonfiction.”—John Delury, Slate “At times a page-turner, at others an intimate study in totalitarian psychology.”—The Philadelphia Inquirer

A Thousand Miles to Freedom Eunsun Kim 2015-07-21 Eunsun Kim was born in North Korea, one of the most secretive and oppressive countries in the modern world. As a child Eunsun loved her country...despite her school field trips to public executions, daily self-criticism sessions, and the increasing gnaw of hunger as the country-wide famine escalated. By the time she was eleven years old, Eunsun's father and grandparents had died of starvation, and Eunsun was in danger of the same. Finally, her mother decided to escape North Korea with Eunsun and her sister, not knowing that they were embarking on a journey that would take them nine long years to complete. Before finally reaching South Korea and freedom, Eunsun and her family would live homeless, fall into the hands of Chinese human traffickers, survive a North Korean labor camp, and cross the deserts of Mongolia on foot. Now, Eunsun is sharing her remarkable story to give voice to the tens of millions of North Koreans still suffering in silence. Told with grace and courage, her memoir is a riveting exposé of North Korea's totalitarian regime and, ultimately, a testament to the strength and resilience of the human spirit.

Korean Grammar in Use - Beginning (English ver.) (Lee Kyung-ah) 2021-07-09 This book is the culmination of educational know-how and systematic grammar organization acquired by the three authors from their experience actually teaching Korean to foreigners in the classroom. In focusing strictly on Korean grammar, this series represents a departure from most current integrated teaching materials, allowing foreign learners to more easily concentrate on grammar in their study of Korean. The authors have included real dialogues and illustrations to make the study of Korean more interesting, especially for those students who have heretofore felt Korean grammar to be difficult. Further, this series equally serves as a general Korean grammar reference that can be used by Korean language instructors both in Korea and abroad who regularly experience the difficulty of teaching Korean grammar first-hand. Fluent Forever Gabriel Wyner 2014-08-05 NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. "A brilliant and thoroughly modern guide to learning new languages."—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Gitars Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll

retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.
