Ultimate Crochet Bible Jane Crowfoot
2016-10-01 Now available in paperback, this best-selling title is THE essential guide to crochet.

Ultimate Crochet Bible is a definitive reference for all aspects of crochet – from the first chain to the care and maintenance of your projects. The first two chapters are packed with useful information such as choosing and using a hook, how to read a pattern, holding the yarn and basic stitches. Once you are armed with the basics, you can go on to learn about a wide range of techniques. Traditional, lace-weight crochet is covered in the Thread Crochet section. The yarn used tends to be fine and the hooks are small,

but this allows you to put more detail into a piece of work. Filet and Irish crochet are covered here. The section on Tunisian and Entrelac Crochet shows how elements of crochet and knitting can be combined. Entrelac is a method of creating square shapes in order to make a textured fabric that resembles basket weave. In *Working with Colour*, the two main techniques of adding colour to a piece of crochet – Intarsia and Jacquard – are explained. And to create some really exciting effects, you can add beads and sequins to your crochet. It's a relatively easy technique. In addition, there are techniques for edgings, braids, fringes and tassels. *Professional Finishing Techniques* provides all the know-how you need to take your crochet to a whole new level. But

whatever your level of experience, this book will be an invaluable treasure trove of crochet techniques that you will turn to time and time again. Over 35,000 copies sold worldwide.

Crochet DK 2014-04-01 Crochet is the perfect book for people interested in shifting away from mass-produced items, who want to create unique, crocheted pieces. There are more than 80 crochet projects to choose from, and the book helps you get to grips with the basic stitches before leading you to the best projects to try next. Why is it special? * It's the go-to crochet compendium that combines a step-by-step technique section with 101 projects for crocheters of all levels of ability. * This comprehensive book takes you through the basics, with useful

practice projects to build confidence, before embarking on more adventurous crochet patterns. * Close-up step-by-step photography and detailed text give you crystal-clear instructions for every crochet stitch. * A huge variety of projects spans things to wear, items for the home, decorative pieces, and cute gifts. Whether you're looking to crochet oh-so sweet baby booties, amigurumi animals, a granny square bedspread, a one-size-fits-all shopping bag, or a fabulously slouchy hat--you're sure to find something to fit the bill.

The Tunisian Crochet Handbook Toni Lipsey 2021-11-16
From fiber artist Toni Lipsey of TL Yarn Craft, an introduction to the craft of Tunisian crochet—a unique crochet style that looks more like knitting—with 20 projects for beginners There are hundreds of books that explore traditional crochet, but there are few that reference the concept of Tunisian crochet or present it in a modern, approachable way. The Tunisian Crochet Handbook introduces

this fascinating and rewarding technique with a wide array of stitches and design possibilities. The goal of this book is to guide crocheters step-by-step through Tunisian crochet, starting with tools and yarns, transitioning into how-to's and stitches, and finishing with easy but engaging patterns. The book includes instructional sections and patterns, complete with the necessary schematics and styled, chic photographs. Every shawl, garment, and accessory featured takes makers beyond the basics, introducing new stitches to expand their skill sets. In this way, author Toni Lipsey is reintroducing crochet and encouraging makers to explore the craft further with each new design. Crochet continues to grow in popularity, and this guidebook offers a new take on

the timeless classic, one that readers won't be able to find anywhere else.
