Get Personal Erin K. Casey 2014-05-19 Saved or searching, we all need to be reminded of God's interest in us individually and His love for us personally. That's where your story comes in... Stories of how God reaches into our lives today with love, grace, strength, healing, and hope remind us that He is alive and powerful-and that He still wants all people to know Him. But maybe you've been a Christian since childhood and you think your faith story isn't all that exciting. Or maybe you feel like your story is too personal to share. Or perhaps you just don't know exactly what to say or where to begin. That's where "GET PERSONAL: The Importance of Sharing Your Faith Story" comes in. This little book offers guidance on how to put what matters

most into words that encourage others and glorify God. You have a story to share that could help someone better understand who Jesus is and how knowing Him makes a difference. Are you willing to share it? In GET PERSONAL, you'll learn: - Why we must share our faith stories. - What your personal faith stories are. - How to share your stories more effectively... and without sounding preachy, religious or just plain weird. - That you can be respectful of someone else's worldview without wavering on your own.

The Literary Digest Edward Jewitt Wheeler 1912

I, Church Brett Fish Anderson 2015-01-15 "It was the best of church, it was the worst of church..." [not Charles Dickens] In some ways, the church has a horrendous track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in

affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experience of His love. He doesn't appear to have a plan B. We are it! I call this book, 'i, church' because more than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires it to be." [Bruce Collins, legend and appreciator of good coffee]

Faith and Physics Joseph Paul Befumo 2007-04 Can educated people embrace the concepts of spirituality, mysticism, paranormal phenomena, and even magic in light of the overwhelming and undeniable tenets of modern science? As revealed in this book, the answer is a resounding yes. Faith and Physics takes the reader on a step-by-step journey through the often startling world of modern physics, showing how recent scientific evidence not only supports, but in many cases, demands

an acceptance of spiritual, mystical, and paranormal principles. If you, like many modern people, have yearned to believe in something beyond the mundane day-to-day physicality of life, but have feared that to do so would be tantamount to intellectual suicide, this book will prove that you need not choose between modern certainty and mystical doctrine, for both are completely consistent.

Chosen by God Sally Stanley 2014-11-04 This book is Sally Stanley's incredible journey and amazing testimony of God giving her "The Power To Go On." Stricken with a staph infection which produced large painful sores all over her body, she was rushed into surgery, where the surgeon accidentally severed the main artery to her heart, causing blood to flood her chest cavity, which resulted with her dying on the operating table. This resulted in her "after death or out-of-body experience" and miraculous encounter with The Lord, as He spoke these marvelous words, "You have been chosen by God and your work is not finished." Upon her immediate restoration, she spent weeks on a ventilator and had several months of physical therapy. Over the next several years, Sally has experienced and recovered from a fractured vertebrae, several strokes, and heart attacks. During this time period she also cared for her husband John, after he experienced seizures and strokes, which finally lead to his death on December 12, 2013. Then in May of 2014, while walking in a pedestrian crosswalk, she was suddenly hit by an automobile, suffering multiple injuries, including a shattered right shoulder and broken neck. Sally tells everyone that over the past 20 years, many miracles have happened in my

life, but faith in Christ has given me "The Power To Go On." "I hope that everyone who reads this book will understand that with God, all things are possible. It is so great to know that we have Jesus walking with us each and every day."

The Great Awakening Mark C. Lee 2016-12-07 The Great Awakening Movement between 1720 and 1740s was one of most splendid chapters of early Christian history. The movement stirred up a mass religious conversion in colonial America with a call to live a holy life. The seeds of the Awakening were sown when Rev. Jonathan Edwards (1703-1758) began to preach revivalistic sermons in Northampton, Massachusetts. George Whitefield (1714-1770) started his preaching tour of colonial America between 1739 and 1740. It was during his preaching tour that the Great Awakening erupted. Edwards and Whitefield were the two major catalysts in the Awakening era. It was during this period that churches of many different denominations had tremendous growth. Every believers life is a living testimony of Gods grace of salvation; George Whitefield said it so well in May

21,1740, Christ was God and man in one person, that God and man might be happy together again.

Recovering Catholic Wynn Wagner 2012-07-01 Are you a Catholic who no longer practices your faith? Do you feel closed off from the church because of your political or lifestyle circumstances? In Archbishop Wynn Wagner's enlightening, supportive, and sometimes irreverent book, *Recovering Catholic: How to be Catholic without being Roman Catholic*, you'll discover an entirely new way of looking at, and participating in, the Christian world you once loved. The author, who considers himself a recovering Catholic, introduces us to the Old Catholic Church, where 100% is Catholic, and 0% is Roman Catholic. So what's missing? Dogma, unfair judgment, homophobia, racism, and levels of discrimination we prefer not to discuss outside the church, and which the Roman Catholic clergy refuse to acknowledge inside the church. This book and this man will remind you about the joys that exist in a religion that loves and accepts. Amen to that!

Faith Colors Lula Adams 2014-06-30 Miracles happen today. Do you want to increase your faith? Read about miracles. True stories of God's faithfulness, love, and power are woven together with art, poetry and scripture into a tapestry made of the colors of the rainbow that demonstrate the many aspects of faith. A woman finds herself in a car accident on a lonely Nevada highway

gazing at her two daughters sprawled on the road. She screams in terror for help. Someone places a white gold cross in the palm of her hand. This changes everything. "A White Gold Cross," one of the true stories found in "Faith Colors, Encounters with God in Living Faith," explores the power of faith in God to transform the outcome of a terrible crisis. This story is found in the section called White Faith, the kind of faith that strengthens the inner heart to persevere. A son prays in earnest while the emergency team from the fire station try to revive his father. After the paramedics give up and permission is granted to stop CPR, the father miraculously begins to breathe on his own. But will he survive long enough to take care of his unfinished business? This story is found under Blue Faith, the kind of faith that looks up from a dark pit to find hope. These testimonies and others, including some of the author's own experiences, are grouped into the colors of the rainbow to highlight important aspects of faith. Poems and prophetic art, intensifying the impact of the messages, are found throughout the book. Each color section concludes with a prayer to draw the reader's heart closer to God. Scriptures and colorful prophetic pictures featured in this book highlight significant attributes of faith that are bound to spark hope in God and His promises found in the Bible.

Jesus and Untouchability M. R. Arulrāja 2016-12-10 This book examines the way the Good News was compromised with the system of discrimination down the centuries, and the anomaly it created to the Christian values of brotherhood and sisterhood of all. It includes an evaluation of the moral teachings of the present day Church. This evaluation shows that we have not repented nor been converted to the Gospel values even today. We

find in the Bible that untouchability as a practice of discrimination existed in Israel at the time of Jesus and that it had its roots in the Bible itself! The struggle of Jesus was precisely against the practice of untouchability prevalent in his place and time. Jesus was not exactly giving an example for the oppressed to carry their cross meekly unto death. He was rather asking them to fight discrimination even if it would cost them their lives! His struggle should become directly relevant to them. They should discover in Jesus their hero, their leader, their God who died for their liberation. The New Testament also speaks of the struggle of Jesus' apostles to keep themselves faithful to the Way he carved out for them. Paul emerges as the valiant champion of the cause of the untouchables as he affirms the equality of all in Jesus. When Peter discriminated against non-Jewish Christians of Antioch on the question of table fellowship, Paul, condemned him. For Paul, such a practice of discrimination went against the truth of the gospels.

I Have Some Good News Preston Condra 2017-03-23 The Gospel of Christ is a message which claims to save from damnation those who believe it. This "good news" message purports to reveal who saves, what he did, why we need it, how we get it, and where to find reliable information about it. The Gospel, however, is widely doubted, disputed, and denied. Many wonder: - Does Jesus have to be who Christians claim he is? - What did his death accomplish? - Why would God send me to hell? - Can faith really be all there is to it? - Do I need to trust the Bible? Using Bible verses, "I Have Some Good News" addresses objections to the Gospel, and allows Christianity's source book to speak for itself.
