Introduction to Negotiable Instruments Siva Prasad Bose 2021-07-15 Negotiable instruments include financial instruments that can be transferred to other parties. They include cheques, promissory notes, bills of exchange and other such media. Such instruments are responsible for millions of dollars of financial fraud globally. So it is important to have some understanding of what they are and the laws related to them. In this book, we introduce the concept of negotiable instruments and the laws in India regarding the same, especially the negotiable instruments act and its amendments.
